COMMENTS:

This bill would extend the sunset date of the Alzheimer's Disease and Related Disorders Research Fund from January 1, 2005, to January 1, 2010.

The June 21, 2004, amendments would make a technical correction and add several co-authors. These amendments would not impact the department's programs or operations.

The department's analysis of the bill as introduced January 8, 2004, still applies.
